What's In the Newsletter? Village Hires First Sergeant Page 1 Sustainable Energy Task Force Page 1 DMV Mobile Office Page 1 Mayor's Message Page 1 Library News Page 2 Community Events Page 2 Directory Page 2	Village of Cambridge Hires New First Sergeant It is with great honor that the Cambridge-Greenwich Police Department along with the Village of Cambridge and Village of Greenwich extend our congratulations to the newly-appointed Sergeant Robert Danko. Sergeant Danko started his law enforcement career under the guidance of Chief Bell. He continued to gain valuable experience at Washington County Sheriff's Department while maintaining a part-time position at the village Police Department. Sergeant Danko is a highly respected police officer and he will no doubt continue to carry on the department vision as Chief Bell would have wanted. We are honored to have you lead our way, Sgt. Danko.  Sergeant Danko will be sworn in at the next Village Board meeting scheduled for Wednesday June 6, 2018 at 7:00 p.m.

Village of Cambridge Sustainable Energy Task Force The Village of Cambridge Sustainable Energy Task Force is a Committee formed by the Village Board of Trustees to facilitate research of proposed sustainable energy development opportunities and to create action ready plans to present to the Public. The Task Force will involve members of the local governing bodies as well as community volunteers: 1 or 2 Village Trustees, 1 Planning Board Member, 1 Zoning Board of Appeals Member, 4 or more local residents from the Private Sector, and additional members as deemed necessary. The long-term goals of the Task Force is to initiate continuous Community involvement that addresses ongoing sustainable energy opportunities and concerns.	Department of Motor Vehicles Mobile Office in Cambridge DMV's Mobile Offices are available on the second Wednesday of every month from 9:30 a.m. until 2:00 p.m. right here in the Village of Cambridge. The Mobile Office is able to complete all the transactions you can complete at the regular DMV with the exception of: <ul style="list-style-type: none">- Original permits or ID cards- License reciprocities- Enhanced licenses or ID cards- Conditional or restricted licenses- CDL permit tests The next Mobile DMV day is scheduled for Wednesday June 12 th .

Mayor's Message I would like to thank our village DPW, FD, PD, and Cambridge Valley Rescue Squad for the outstanding job responding to the damage the storm did to our community in early May. These types of emergencies are what they all train for, but we always pray they will never have to use that training. I would also like to thank Tim Hardy from county, Town of Cambridge DPW, and Town of White Creek DPW for coming to our aid immediately. Also a big thank you to national grid for their quick response. I stand amazed that not one of our community members were harmed, with so many trees down. I would also like to thank our residents and those from surrounding communities that helped each other to clear debris and check on their neighbors. Despite the severity of destruction, I was very proud to walk Governor Cuomo down Spring St. and have him witness the outpouring of support for each other. Its residents like you that make Cambridge a great place to live. - Mayor Carman Bogle

Lunch at the Library

The Washington County Office for the Aging Nutrition Program will be offering a healthy lunch and a Fall Prevention Workshop presented by HCR at Cambridge Public Library. Reservations are required for this event and can be made by contacting Cait Johnston at (518) 746-2420 x3440 by Monday June 25. This luncheon is being funded by The Friends of the Cambridge Library and is free to all participants!

Alzheimer’s Association Workshop

In a continued effort to raise awareness and provide support to those impacted by Alzheimer's Disease, Dementia and Memory Loss, Cambridge Public Library has begun partnering with the Alzheimer’s Association for a series of educational workshops and a support group to begin this Fall. The second workshop in the series is scheduled for June 20th at 11:00 a.m. The Basics is designed to provide information on detection, causes and risk factors, stages of the disease, treatment, and much more.
